

# NEWSLETTER September 2020

From the Office...

*WELCOME BACK!* Now that the “official” end of summer camp has come, we will return to our regular school year curriculum.

*A few reminders of the new Covid policies:*

- Only one parent per family may enter the building at drop off/pick up. Siblings are prohibited in the building. If you have siblings in the car we can bring your child to your car.

- You must wear a face covering at drop off and pick up.

- Bedding goes home daily (crib sheets on Fridays).

- A temperature of 100.1 will prohibit your child from staying at the center. Temperatures are checked at the door each morning.

**Please read your child’s Daily Report!** It is your link to your child’s teachers. Send notes to your child’s teacher as needed or request a phone conference or virtual meeting.

*New parents: we encourage you to join our **Facebook group**. The teachers post pictures weekly and in some classes, daily. Go to “**Precious Friends of St. Gianna Childcare Center Group**.” This is a closed group for our families and staff only.*

*We send our Best Wishes to our retiring staff: Miss Bern, Miss Seema, Miss MaryJo and Miss Joanne. We will miss them.*

*Welcome to our new staff member, Miss Cathy. She will be assisting in different classrooms. We are happy to have her!*

*Thank you,*
