

NEWSLETTER November 2020

From the Office...

Thank you for supporting our new fundraiser, Original Works. Your child's masterpiece will be sent home November 2nd. Please check out all the great gift ideas for your family and friends! **Please return the artwork and the order form no later than November 13th.** If we get everything mailed back on time, orders should be here by the second week in December! (Miss Trish speaks as a grandmother and LOVES her Original Works gifts!)

On Wednesday, November 25th, we will have a traditional Thanksgiving luncheon with all the trimmings for the students and staff. Please feel free to pack your child's lunch if this is something he/she will not eat. Due to COVID, the sign up sheet for donations will be different. Keep an eye on your Procure email for details. Thank you.

If any of your cell phones or emails have changed, please let Trish know so she can update it in the One Call System, We will use One Call for emergency closings or delayed openings due to inclement weather.

At this time of year we wish to say that we are thankful for many things in our lives, including our staff, your children and all of you!

Have a wonderful Thanksgiving!
Donna and Trish

PS: Are your child's spare clothes the right size, the right season and labeled with your child's name?

SNACKS

Please make sure you are packing a morning and afternoon snack for your children in addition to their lunch. The children are busy throughout the day and they get very hungry!

The cooler weather:

Please make sure your child has a jacket for outside play! Add mittens and hats as needed! And of course, **please label your child's**
